

MTS CENTRE STREETSCAPING

LCG Project Management / City of Winnipeg

Winnipeg, Manitoba

Project Description

KGS Group along with Scatliff+Miller+Murray Landscape Architects were retained by LCG Project Management and the City of Winnipeg to provide design and contract administration services for a \$550,000 streetscaping project surrounding MTS Centre. The project involved the reconstruction of Hargrave Street, asphalt overlays, traffic calming initiatives like bulb-outs and meandering alignments, incorporation of street furniture, paving stone construction, traffic signal modifications, hydro light standard modifications, Graham Transit Mall and transit shelter accommodations, Moxies Restaurant sidewalk café, and contract administration. The team applied practical experience developed from similar projects to deliver a product harmonizing with Winnipeg's developing downtown environment.
